

EduGenie: Google Gemini Powered Learning Assistant

4. Project Planning Phase

Purpose: Organize the development work into milestones and activities.

Phase Activities

- Milestone 1: Model Selection and Architecture.
- Milestone 2: Core Functionalities Development.
- Milestone 3: Frontend Development.
- Milestone 4: Deployment.
- Planned work includes model selection, module implementation, API development, frontend integration, local execution, and functional testing.
- The plan keeps the system lightweight and modular for future upgrades.

Project Focus: This phase is organized from the supplied EduGenie project document while retaining the requested phase name.
